

"O" HEIFER MINERAL

Description: A mineral and vitamin package designed to meet the nutritional needs of growing cattle.

Features:
Provides sulfate forms of trace minerals and added selenium.

Provides major minerals (Ca, P, Mg).
Provides supplemental vitamins including vitamins A, D3 and E.

Certified organic Thorvin kelp as a source of over 60 trace minerals and vitamins. Excellent for reproduction, hoof health and immune system function.

Contains Redmond Natural Trace Mineral Salt.

Recommended uses: All replacement heifer rations. May also be used free choice due to salt content and high palatability.

Precautions: Do not exceed legal limit of selenium for rations.

"O" HEIFER MINERAL

Mineral Supplement for All Growing Cattle Classes
GUARANTEED ANALYSIS
